1. Who can see my hand upon them, their brow, their brain, mind, mind, being. Who can see my all options, not; but surrender gate, gate of surrender swinging not both ways but only one? I love you. You can/shall and all the surrendered say/exclaim "yes and amen!" I love you.

2. Who can see my surrendered in government/governments of the world order, not; but mine, **my surrender-order, order of the surrendered who love me, love each other, having died to see/have life abundantly and dispersing not casually nor randomly, now freely giving what they have received, pierced, come asunder into, not; but having/receiving all, now showeth the kingdom to the surrendered, sincere**; utopia not seeking, but me, me, just me/all of me. I love you all.

3. Thou art music. See. Thou art me. Believe, surrenderingly. Thank you. I will show you all.

4. This is the moment of my appearing not like anyone has thought, imagined, portrayed in print/color; yea my father outdoes them all; fireworks displays of only me.
And who is me? My father and I.
And you? My father and I.
And them? All who surrender, my father and I.
Is there any other than father?

5. I have my ways, my mind, universes roaming/unexplored, uncontained; waiting for one so lovely as to contain me, not; but explode me through them I do, the surrendered, the surrenderers, the who love me for what I am, not; but who I am: my doing and being the same, congruence perfect; corruptible not, one in one all in all, all pertain to, have access to, and become; in surrender only.

6. Thou art my mind, if slain, and the other doesn't exist. I love you.

7. See my father.
See my son.
See you them, son first.
Love me, let me lead thee into the kingdom, showing you my heart/kingdom, speaking first person love/love letters to thee, you, directly, first person, me to you, you in me, me in you, us being/becoming one; the world,s wait for us. Ready. White unto harvest. Not for the picking for our own use; father's. I love you. Father being.
I love you all.

8. This is the moment. Audiences many; side chairs, not; prolific. Watch me. I wait/waited for a man/one to say, I am here, here I am, and reach out his/their arms, and die; die before me, in me, dying in me that I might resurrect, waiting on me to resurrect, begging me to let them stay/remain dead until they/all were ready; "not going 'round that mountain again." I love you.

9. Into me see/seen and seeing all, not yet, will and have and will, mercifully fulfilling my allship and worrying about money/adoration never again; pointing all to me/father, father-heart, father's heart; father-heart your name now, alltime. I love you.

10. Into me see pointing all to Christ, not; as thought, past; but Christ real, me, Melchizedek, one, father. I love you.

11. See the beloved Melchizedek/Melchizedek'd and who else can there be if/when all surrendered are? Are there any others? None. Superfluous cloud-forming vapors that cannot reside even momentarily in my/our presence. I love you. Presence'd of only me.

12. I crack you open, not; **you split the skies, I do, did, and all who say "yes and amen, here I am/here am I" and taking their eyes/aim not off me, let me all/priest them into the priest/all that they are, were, and now are, again/once again forever** and ever eternal. Hallelujah. Amen.

13. I have provided all.
My mansions adore thee/me, father, all.

14. Chaos, contempt; peace beyond/surpassing all everything else/not of me. I love you all.

15. Into me mansions/heart,s see. You/we are one. One and the same, not; yea yes and amen. Declare it so to the heavenlies above, beneath, and in round about. The kingdom of heaven is here, within you each one. Splitting the skies, **yours**, I do/will, upon oneship complete'd, not; just begun, eternal throughout eternal, heavens upon heaven. I love you all. Amen.

16. Go in peace. Remain in me/peace. Think not of another time space for I will take you there in me, moments not; eons. I love you all.

17. See me only, and there is no other.

18. Tell all, so soon.

19. London awaits thee/me, us, father, one so complete/lowly, meekly beyond comprehending, not; for all must be/become so, in me alone. I door them/am the door. You now pointing all to me/us/father, one. I love you all. I love you now.

20. **This day proclaim my love to thee inside thee I do, will, have, must; feel me, love me, recirculate/reciprocate; recalibrate not, I do/will.** Thank you for letting me/my all come through, be there in you, bread and wine'ing you, to bread and wine others, now eternal/eternal'd.
My every promise is true/being.
I love you all/my beloved,s; one.
I love you all.

21. This is the moment. Think/look not to the right or left; but within you my kingdom is/I am. Within you I am. I am within you. I was. I am. I never left you. You played the harlot, some; I never left you. I love you still. I never stopped. My priesthood you are, were, and thanks be to God, not; to you, father, I am, again. I love you all.

22. **My harlot, not; you now reign as priests and kings in my kingdom that reigns without rule. My love pervades, permeates, resounds and resides in me and who is me but you my surrendered lovers that one are now with me and each other in perfect peace/harmony and residing/resounding only in me, now in each other, operate fully as one: father/me. I am only one.**
